III CALL FOR PAPERS FIT CÁNCER 7: (Until October 24th, 2021)

Bases VII Foro de Inmunología Traslacional e Inmunoterapia del Cáncer (FIT Cáncer 7) Virtual

RULES FOR PARTICIPATION

Papers submitted to the VII Foro de Inmunología Traslacional e Inmunoterapia del Cáncer | FIT-CÁNCER 7 Paper Competition may be published in the Conference journal/book, either in electronic format or on the Conference website, with the author's previous consent if so decided by the Review Committee. Special consideration will be granted to unpublished papers, which have not been published or submitted for publication elsewhere.

The submission of a paper to this competition implies the full and unconditional acceptance of the rules set out in this call for applications.

Papers must be submitted exclusively via the following website:

<http://congresos.grupoaran.com/fitcancer7>

Papers submitted by E-MAIL, FAX or POSTAL MAIL will not be accepted.

Abstracts for oral presentation will be accepted until **October 24th, 2021** (at 11:59 pm).

RULES FOR SUBMISSION OF ABSTRACTS

Papers presenting results from basic, translational, clinical, epidemiologic or computational research within the field of cancer immunology or immunotherapy will be considered. In addition, papers showing of results from relevant clinical experiences of immunotherapy with cancer patients will be also considered for presentation.

This year at least 4 papers will be selected for oral presentation. Priority will be given to papers presenting clinical cases on any of the following issues:

- **Response assessment**
- **Cell therapies**
- **Toxicity associated with immunotherapy**
- **Use in patients with special conditions (autoimmune disorders, transplanted organs, pregnancy, HIV infections, etc.)**
- **Integration of immunotherapy into multimodal therapies**
- **Immunotherapy and COVID19**

Winning papers will be presented by an appointed author (presenter), who must be registered in FIT-CANCER 7. Additionally, priority will be given to presenters applying for a grant to attend the Forum

SUBMISSION OF MORE THAN ONE PAPER PER PRESENTER AND CORRECTION OF SUBMITTED PAPERS

Upon submission, presenters will receive an e-mail with a **username and password**. With these credentials, presenters can access their personal dashboard and submit further papers. In addition, the papers already submitted by the presenter will be displayed thereon. Authors may modify their papers online until deadline. Similarly and logging in with their assigned username and password, applicants may modify their registration details.

SELECTION PROCESS

All papers will be evaluated by the **Selection Committee** and their decision will be communicated as soon as possible, indicating, if the paper is accepted, and scheduled date and time for their presentation. The Technical Secretariat will send the result of the assessment to the first author of the paper, together with the presentation date and time. Results are not open to appeal.

RULES FOR PRESENTATION OF SELECTED PAPERS

■ Communications will be presented using the slide template sent by the Technical Secretariat. The selection letter sent to the first author will include instructions and format for presentations. Oral presentations will not exceed **5 minutes for presentation and 5 minutes for discussion**.

AWARD

Best paper award: The Scientific Committee will award this prize to the best paper among all submissions, as judged by a Review Committee comprised of Oncology and Immunology representatives. As the VII Foro de Inmunología Traslacional e Inmunoterapia del Cáncer (FIT Cáncer 7) will be held in 3 sessions in online format, the Organizing Committee established that an award will be assigned to the best Short Communication presented in each session. The winner of each session will receive **€400 (after taxes)**. The resolution as well as the award ceremony will take place at the Closing Conference of each session of the FIT Cáncer 7.
